

## Positivity and Happiness Are Not Synonymous

*Author and speaker Deanna Willmon shows us that you don't need to be positive every second of every day to be happy in her breakout title 'Negatively Ever After'*

### Negatively Ever After: A Skeptic's Guide to Finding Happiness by Deanna Willmon

Fed up with happiness gurus telling you that you can't be happy unless you get rid of all of your negativity? Sick of all those perky Positive Pollys receiving all the happiness glory? *Negatively Ever After* will provide the guidance you need to find happiness without the impossible task of eradicating negativity from your life. This book debunks the popular misconception that being positive and being happy are synonymous. Using a simple "Happiness Bank" analogy, the author shares her research, experiences, and missteps in discovering that negativity is not the enemy. From achieving self-adoration and learning what gratitude truly means to determining whether sharing happiness is really a good idea, this book explains how to develop "Negativity Wisdom" in order to embrace and effectively utilize your inherent negative tendencies. Realistic and accessible, *Negatively Ever After* will help you harness your negativity and find your own inner happiness.

### Talking Points

- Wisely Use Negativity: you don't need to be completely positive to be happy
